CAPABILITY STATEMENT

Cogent Management Solutions LLC (CMS) is an economically disadvantaged, minority woman-owned small business specializing in providing administrative and business management consulting services to governmental agencies and the private sector.

We believe our Culture, Values, People, and our Commitment to our client's success sets us apart from other firms. Our mission is to provide quality business management solutions using innovative strategies and collaborative problem solving, resulting in added value and business success for our clients and their customers.

PAST PERFORMANCE

President Cherryl Harris and CMS' seasoned management team bring 30 years of expertise in consulting, leadership, development, project management, organizational development, conference services, real estate, facilitation, training and development. We've administered, negotiated and managed consulting contracts in excess of \$10 million, from formation to successful completion with five-star ratings.

Our team's clients include -

- Centers for Disease Control & Prevention
- Department of Health & Human Services
- Georgia Power, A Southern Company
- Icarus Consulting, LLC
- The Coca-Cola Company
